Re: Tomorrow International Holdings Ltd. (the "Company")—Exemption Number 82-4256

Application for amendment to the existing Rule 12g3-2(b) exemption for purposes of future electronic publication of the required disclosure documents

Dear Sir/Madam:

I write on behalf of the Company to apply for future electronic publication of the required disclosure documents under the recently amended Rule 12g3-2(b). The Company's exemption number is 82-4256 and the address of its website is www.tihl.com.hk.

The Company acknowledges that to comply with the new procedures, it would have to publish on its website all materials currently being furnished in paper form to the SEC and also English translations of its annual report and any interim reports (including financial statements), material press releases and other distributions directly sent to the shareholders of each class of securities to which the exemption relates under home-country law, as was the case in the prior paper submission processes, on an on-going basis. The Company will fulfil all these requirements.

Please feel free to contact us should you have any queries.

Yours sincerely,
